## President's Message

Fellow Lions

Merry Christmas and a Happy New year Webster Groves Lions.

Thinking over the past year I am filled with so much pride for our club. Thinking about all the challenges we faced this past year and how we pulled together despite some tragic deaths. We will remember Lion Dick Roth and Lion Bill Kleffner in this past year and all that they contributed to the club.

As we begin a new year it's a little overwhelming thinking about all the work that needs to be done and all the people that need to be helped. I am confident that our club will handle all of this with great ease.

I know the year will be filled with new challenges as well as some old or unfinished business. There will be laughter and memories made and hopefully some new traditions started.

Take a moment and think about your service this past year. Where you happy with the time you put into Lions? Do you need to help more, get more involved? Think about what you would like to help with this year. Remember our motto "We Serve". Let's all

get active in 2016.

Thank you for allowing me to serve in 2015 and I look forward to what 2016 has in store for our club.

President Lion Teddi Speeler

### HOW CAN I BE A GOOD LION?

*A good lion is one who is excited about the wonderful services that Lions worldwide provide to those in need. A good Lion is one who is active and enjoys meeting new people and experiencing new situations.*

*A new Lion might be a little overwhelmed with the organization and our lofty goals. Soon you will learn how you can become involved, and stay involved!*

*The most beneficial thing that you can do as a Lion is to go to club meetings. The fellowship and informal interaction will help you get to know more about the people you will serve beside. The next thing you should do is learn as much as you can about Lionism. If there is a program or activities that interest you notify the contact person and get more information. Don't be afraid to ask questions.*

*Take some time to think about your skills, talents, or interest. What do you like to do? What excites you? What would you or can you do to make a difference? Get involved with specific causes or activities that motivate you. If these do not currently exist, make a proposal to add that activity to the club agenda. Don't be afraid to go for it.*

*Finally, be proud to be a Lion and wear your lapel pin!*
